## Waterloo Township Contact Information

### The Past Year at Waterloo Township

In the past couple of years the township has done a great job managing your tax dollars. If you have not noticed in the past, we have maintained a tight budget. The funds that are left over have increased reserves in our fund balance. While the township has purchased equipment, used when possible, the board members continue to keep the spending in the best interest of the community and the townships budget in good standing.

The township has improved our website based on feedback received from the community. Some of the improvements include; a "Forms" link and information to help keep members of the community up to date on notices and proposals. The website can be found at [www.waterlootwpmi.com](http://www.waterlootwpmi.com).

A Parks and Recreation Committee was formed to inventory the recreation opportunities we currently have and to apply for grants to enhance recreation opportunities for the township.

Along with this flyer you will find a couple of questionnaires. The feedback will help guide the board in the direction for planning the future of our township, so please take the time to fill them out and submit it with your summer tax payment, drop it off in the office, or fax it to 517-596-8600.

Lastly, join us at our annual Meet and Greet on Saturday, September 18, 2010 from 12:00p.m. to 3:00p.m., where township officials, the police department, and SAESA personal will be on hand to answer questions. Refreshments will be served.
